Checklist for Distinctive Announcements – Group Order

The following are decisions / information that we will need from your group:

1. Style and color of card
2. Style of yearline, if using design # 107, #S114, or #155 (Other styles have only one style of yearline.)
3. Lettering Style
4. Text for inside of card
5. Alternate text(s) or etchings, depending on how much room is available on the card you choose. (no charge for these on orders over 300)

Note: in order to picture the card on your group's ordering page, we need #1 and #2. The other items need to be decided by the time the group is done ordering. If those decisions are made in time to put the information on the ordering page that is nice, but not completely necessary.

Before printing, a proof is e-mailed so that you may check the spelling and layout of the card.

The available options are all shown on our web site in the Distinctive Announcement section.
